Summer Issue 5

Lots of School Trips!

It's been nice that our pupils have been able to go on trips again, despite the pandemic and three year groups have been out recently. On Tuesday Chichester Harbour Education provided a fun packed day of beach activities for our Year 1's (above/right). They created art pictures using objects found on the beach, had a sandcastle competition relating to understanding how tides work and finished off the day with an ice-cream on the beach kindly donated by the SBFA. Last Friday The Year 3 children went to Windsor Castle (overleaf

top right) to put into practise some of the learning that they have been doing in their Castles topic. They took part in a role play about the signing of the Magna Carta, sketched out their view of the Quadran-

gle and even found some secret passages that the Royal Family use in the state apartments. Finally and also last Friday, Year R had a brilliant day out at Finkley Down Farm (overleaf top left). They

This Sunday's Gospel

Mark 4:35-41

...it began to blow a gale and the waves were breaking into the boat so that it was almost swamped. But he was in the stern, his head on the cushion, asleep. They woke him and said to him, 'Master, do you not care? We are going down!' And he woke up and rebuked the wind and said to the sea, 'Quiet now! Be calm!' And the wind dropped, and all was calm again...

Dates for your Diary

International Day—29th June
(feast of St Peter and St Paul)
More information to follow.

Sports Day—9th July

Reserve Sports Day—13th July

saw lots of different animals on the farm such as ponies, llamas and even meerkats. One highlight was watching the goat race!

End of term events— Unfortunately due to the extension of the current restrictions until 19th July, we won't be able to hold some of the end of term events as we had hoped to. Sports day will take place but will be closed to parents. Transition Day (when pupils spend the day with their new class teacher) will instead involve the children meeting their new teacher outside for a short period. We also won't be able to have the school disco hoped for in July. We will send further information out about end of term events in due course.

Totem Poles—Our school

is taking part in the Hampshire Climate Crisis Project which engages Hampshire schools in developing climate change education and awareness. We created artwork (*opposite right*) which is a series of totemic cardboard tubes symbolic of a tree, collectively to create our own abstract forest. Each piece contains decorative patterns representing the school's voice about climate issues and features a QR code to communicate this thinking to visitors. The artwork will be displayed in the grounds of Winchester Cathedral week of 14 June 2021. *Reported by Mrs Kurp*

Well done to the children who have won these recent awards
