## Old fashioned school discipline!

The children in Year 3 experienced what it was like to go to school in Victorian times (*above*) during their trip to Milestones Museum yesterday. Their very strict Victorian teacher gave them a lesson or two about how to avoid slovenliness and even came equipped with a cane (although thankfully she only used it against the blackboard). They also enjoyed finding out about

many other aspects of history as well and had a really enjoyable day at the museum. Thanks to all of

the staff and helpers who organised the trip and went along too.

### This Sunday's Gospel

Luke 3:1-6

***A voice cries in the wilderness:***

***Prepare a way for the Lord,  
make his paths straight.***

***Every valley will be filled in,  
every mountain and hill be laid low,  
winding ways will be straightened  
and rough roads made smooth.***

***And all mankind shall see the salvation of God.***

Tuesday 14th December at 6pm — KS2 Carol Service— please see email for details.

day, Year 5 had a fantastic day out at the Winchester Science Museum (*photo overleaf, below*). We spent lots of time exploring the exhibits and learning about different areas of science, such as sound and space. During the day, we took part in a workshop about the James Webb telescope, looking at what would be the best material to make it out of & how the light spectrum works. We also went into the planetarium, looking at the different constellations and planets in our solar system. We even found out Uranus was originally called planet George! *Reported by Mrs Hands*

*Knights of St Colomba Competition*— Well done to the children who took part in the Knights of St Colomba Christmas card competition recently. The Knights came into school last Friday to present the

winners with their prizes and their parents were invited to see the presentation (*below*).

*Year 5 Sleepover*—Last Friday, the children in Year 5 took part in WW2 day. There were various activities throughout the day including a talk from Mrs Sidley's mum (who grew up in Germany during the war), baking WW2 ration cakes, and a parachute competition. After school, the children went home to have dinner and get into their pyjamas before returning to school for a sleepover (*top right*). They enjoyed a film in the hall and had the cupcakes they had made in school earlier - with a tasty mug of hot chocolate with marshmallows. A busy day of fun meant the children were all fast asleep in no time and a great time was had by all! Special thanks to all the adults who volunteered to help.
