International Day

Everyone had a lovely time on Wednesday of this week, celebrating International Day. With over two thirds of the children in our school having families who originate from overseas, it's an important day of celebration for us. During the morning we went to Mass in the church to celebrate the feast day of St Peter and St Paul; a good day to hold international day as we remember how they began the work of spreading the message

of the Gospel throughout the whole world. At lunchtime the children enjoyed a wide variety of international cuisine which was generously brought from home. The rest of the day involved the pupils learning about various countries and cultures. A great day enjoyed by all!

Knights of St Colomba competition—Well done to the children who took part in the Knights of St

Colomba Christmas painting competition which was run several months ago. Due to COVID the winning pupils only received their prizes this week when Alfredo from the Knights came in. Well done to the following children: Brianna Swan, Florence Mahon, Sonia Kuziel, Irene Joseph, Oliva Bunker, William Bunker, Iya Murugan, Natasha Horbowicz and Lara Tomlin (*overleaf top left*).

This Sunday's Gospel

Luke 10:1-12,17-20

The Lord appointed seventy-two others and sent them out ahead of him, in pairs, to all the towns and places he himself was to visit. He said to them, 'The harvest is rich but the labourers are few, so ask the Lord of the harvest to send labourers to his harvest.'

Weddings Art work—This weekend there will be a Mass presided over by the Bishop at St Bede’s Church, to celebrate significant wedding anniversaries of couple across the Diocese. In order to support this, some our children worked with Miss Phillips to produce some lovely artwork to decorate the church (*below*).

Thanks—to everyone who contributed to the mufti-day last week. £400 was raised for SANDS, the still-birth and neonatal death charity.

Climate Crisis Project— Our children have been very busy over the last few weeks, producing some wonderful artwork (*below right*) which will be used as part of the Climate Crisis Project run by Hampshire Council. The project aims to raise awareness about climate change and environmental issues and involves many schools across the County. The artwork will be displayed in various locations over the summer. Many thanks to Mrs Kurp for organising this and everyone’s work towards it.

Well done to the children who have won these recent awards
