### Yr 4 Residential Trip to Ufton Court

A big well done to all of the boys and girls (*above*) who stayed at Ufton Court this week during their three day residential trip. They took part in this trip as part of their learning around the Saxons and enjoyed a variety of sessions that helped them to learn more about life in Saxon times. These included bow making, archery and a Saxon banquet. It was clear that the boys and girls really enjoyed their time on the trip and

got a lot out of it, as they were challenged in several ways. However they were an excellent group, demonstrating mature attitudes at all times and of course, their behaviour was impeccable. Many of them looked a little tired on Thursday morning and we're sure that they will appreciate a rest over the long weekend. As always we must say a huge thank you to all of the staff who worked so hard to organise the trip and accompa-

ny the children on their journey away from home; thank you to Mrs Tobin, Mr Parry, Miss Littley, Mrs Wong, Mrs Osborne and Mrs Manjalay.

*Animals in Early Years*- This week Year R had a visit from the wonderful Zoolab as part of their mini-beasts topic. They got to meet some amazing creatures, such as a giant snail, millipede, cockroach, a very lazy tarantula, scorpion and even a

#### This Sunday's Gospel

##### John 10:1-10

*'I tell you most solemnly, I am the gate of the sheep-fold. All others who have come are thieves and brigands; but the sheep took no notice of them. I am the gate. Anyone who enters through me will be safe: he will go freely in and out and be sure of finding pasture. The thief comes only to steal and kill and destroy. I have come so that they may have life and have it to the full.'*

snake (*above*)! The children learnt lots of interesting facts about these creatures and even got to touch some! *Reported by Mr Soper*

*Netball action*—Well done to our Year 5/6 netball team (*below*) who took part in a friendly match against St Mary's school this week. The children showed their strong ability by winning the match 13-4. Thanks to everyone who came along to support the team.

*Parental Questionnaire*—Parents should have received an email this week

about our annual questionnaire. Please take a moment to give us your views [here](#).

*Year 2 trip*— Last Thursday Year 2 went to Kew Gardens. We had a great time exploring the gardens, in the sun. We took part in a workshop to work out who in the garden killed a fly. We inspected lots of plants, finding insects to investigate (*top right*). Eventually we explored the conservatory finding a fly-catcher was the culprit. We also enjoyed exploring the children's garden in our free time. We wished we could have stayed longer. *Reported by Mrs Adams*
