Sports Day

The whole school community enjoyed a fantastic sports day last Friday. The children took part with great enthusiasm and sportsmanship and wherever they came in the events they took part in, they should be proud of the efforts that they made. We were blessed with good weather on the day and an array of exciting activities at the end of the day, which were arranged by the SBFA. A huge thank you to everyone who helped organise the day

and to make it run so smoothly. We look forward to Sports day 2024!

create a scene based on Easter or Christmas . They obviously impressed the judges with their work in particular Philip, who won first on one competition and second in the other!

Year 5 Production— This week the boys and girls of Year 5 (*above*) have been delighting audiences with their production of *Star Wars– The Umpire Strikes Back!* The children and staff have obviously done a huge amount of work to prepare for this show which was evidenced by the extremely professional way it was performed—they should be very proud of themselves indeed! Thank you to everyone for all of the hard work that they put in to make this such a brilliant experience for the children.

Year 6 Trip to Paulton’s Park— Last Tuesday, the children in Year 6 travelled by coach to Paulton’s Park. All of us were super excited and we split up in our groups to explore. We were all keen to enjoy this outstanding opportunity and one ride after another left us all feeling the day was going to be a blast. After a morning of rides, we were ready to go and have lunch. Half an hour later, and with full tummies, many of us headed to Tornado Springs and went on the Stormchaser and raced down Buffalo Falls. The day culminated with some brave children daring to ride on the exciting Cyclonator! Before we left, we just had time to take a group photo (*right*).
