Spring Term Issue 1

## Year 6 Trip to Warner Bros Studios

On Thursday Year 6 had a 'magical' day out visiting Harry Potter World in London in order to support their English texts this term. We began by completing a workshop that looked at how many different jobs are involved in the creation of the films and even got to handle some of the original props and costumes.

After this, we immersed ourselves in the breathtaking sets of the films and explored all the wonderful props and special effects that were used. We had time from riding on broomsticks, boarding the Hogwarts Express and even escaping the clutches of the dragon in Gringotts Bank. Year 6 made so many wonderful mem-

ories throughout the day and are looking forward to delving further into the books back at school. *Reported by Mr Sharkey*

### This Sunday's Gospel

Mark 1:21-28

*Jesus and his disciples went as far as Capernaum, and as soon as the Sabbath came he went to the synagogue and began to teach. And his teaching made a deep impression on them because, unlike the scribes, he taught them with authority.*
