

Statement on Policies issued at St Bede's in the academic year 25/26

During the academic year 25/26, the existing head teacher is operating as a temporary executive head teacher, taking overall responsibility for St Bede's and English Martyrs Catholic Primary School in Reading.

Due to the shift in responsibilities related to this role, the Executive Head will oversee all school policies, but have less operational responsibility for some of these.

Subsequently, specifically responsibilities attributed to the head teacher within certain policies in the year 25/26, will be shared with the executive head teacher and the acting co-heads of school.
